

Maria Brown

Hi my name is Maria Brown. I have been living in North Reading for approximately 24 years. I am the mother of three boys.

I began working for the North Reading Parks and Recreation Department as an instructor over 12 years ago teaching Pee-wee Sports class. About six years ago I was promoted to the recreation programmer, where my main responsibility is researching and bringing new programs to town to keep children and adults active and having fun.

This is my tenth year as kid connection director and I am looking forward to another great and eventful summer. I am very happy that all of my staff is returning with one welcomed new addition. I've always enjoyed working with children and have had a lot of experience keeping them busy. I think my favorite part of working at kid connection is seeing the enjoyment the kids have each and every day.
